CREATIVE MINDS – ENRICHMENT PROGRAM

Dear Parents and Carers

All children in Grades 2, 3, 4 and 5 will participate in an enrichment session, “Creative Minds” next term. The program will be run by myself and the class teachers in the MPA.

“Creative Minds” challenges participants to extend and expand their skills in creative problem solving, leadership and teamwork, literacy, numeracy, construction, art, drama, communication, presentation and instructional skills. They will also be involved in multiple complex and unpredictable physical challenges.

It is expected that each of the participants will display the highest level of involvement and commitment.

The children will be required to wear their sports uniform on the day and bring a water bottle and pencil case. There is no cost for this program.

The dates for the session are:

Term 4, Week 1 - Friday 10th October, 2014
   Year 4 11:20am – 12:50pm
   Year 5 1:40pm – 3:05pm

Term 4, Week 2 - Wednesday, 15th October, 2014
