1. The school (the Diocese both independently and through its schools) collects personal information, including sensitive information about pupils and parents or guardians before and during the course of a pupil's enrolment at the school. This may be in writing or in the course of conversations. The primary purpose of collecting this information is to enable the school to provide schooling to the pupil and to enable them to take part in all the activities of the school.

2. Some of the information we collect is to satisfy the school's legal obligations, particularly to enable the school to discharge its duty of care.

3. Laws governing or relating to the operation of a school require certain information to be collected and disclosed. These include relevant Education Acts and Public Health and Child Protection Laws.

4. Health information about pupils is sensitive information within the terms of the Australian Privacy Principles under the Privacy Act. We may ask you to provide medical reports about pupils from time to time.

5. If we do not obtain the information referred to above we may not be able to enrol or continue the enrolment of your son/daughter.

6. The school from time to time discloses personal and sensitive information to others for administrative and educational purposes. This includes to other schools, government departments, the Catholic Schools Office, the Catholic Education Commission of New South Wales, your local diocese and the parish, schools within other dioceses/other dioceses, medical practitioners, and people providing services to the school, including specialist visiting teachers, (sports) coaches, volunteers and counsellors.

7. The school from time to time may also collect and disclose personal and sensitive information about current or prospective students to others if it is required to satisfy the school's legal obligations under Part 5A of the Education Act 1990 (NSW).

8. Personal information collected from pupils is regularly disclosed to their parents or guardians. On occasions personal information disclosed to a school counsellor may be disclosed to others who have a legal obligation to receive it without betraying a confidence. However, there will be some occasions where it is necessary to directly pass on material which relates to the wellbeing of a pupil of the school.

9. Schools may also disclose information under public health and child protection laws or in circumstances where there is a serious threat to an individual's life, health or safety.

10. The school may store personal information in the 'cloud' which may mean that it resides on servers which are situated outside Australia.

11. Parents may seek access to personal information collected about them and their son/daughter by contacting the school principal. Pupils may also seek access to personal information about them. However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the school's duty of care to the pupil or where pupils have provided information in confidence.

12. The Dioceses' Privacy Policy also sets out how you may complain about a breach of privacy and how the school will deal with such a complaint.

13. The school from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the school's fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes without your consent.

14. On occasions information such as academic and sporting achievements, pupil activities and similar news is published in school newsletters and magazines and on our website. Photographs of pupil activities such as sporting events, school camps and school excursions may be taken for publication in school newsletters and magazines and on our intranet. The school will obtain separate permissions from the pupils' parents or guardians prior to publication if we would like to include photographs or other identifying material in promotional material for the school or otherwise make it available to the public such as the internet.

15. If you provide the school with the personal information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing that information to the school and why, that they can access that information if they wish and that the school does not usually disclose the information to third parties.

4. Your obligations

4.1 It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the Direct Debit Request.

4.2 If there are insufficient clear funds in your account to meet a debit payment:

(a) you may be charged a fee and/or interest by your financial institution;
(b) you may also incur fees or charges imposed or incurred by us; and
(c) you can arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.

4.3 You should check your account statement to verify that the amounts debited from your account are correct.

5. Dispute

5.1 If you believe that there has been an error in debiting your account, you should notify us directly on 02 6568 7444 and confirm in writing with us as soon as possible so that we can resolve your query. Alternatively you can take it up directly with your financial institution.

5.2 If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

5.3 If we conclude as a result of our investigations that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding in writing.

6. Accounts

You should check:

(a) with your financial institution whether direct debiting is available from your account as direct debiting is not available through BECS on all accounts offered by financial institutions;
(b) your account details which you have provided to us are correct by checking them against a recent account statement; and
(c) your financial institution before completing the Direct Debit Request if you have any queries about how to complete the Direct Debit Request.

7. Confidentiality

7.1 We will keep any information (including your account details) in your Direct Debit Request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.

7.2 We will only disclose information that we have about you:

(a) to the extent specifically required by law; or
(b) for the purposes of this agreement (including disclosing information in connection with any query or claim).

8. Notice

8.1 If you wish to notify us in writing about anything relating to this agreement, you should write to:

St Agnes Parish,
PO Box 1736
PORT MACQUARIE NSW 2444

8.2 We may send notices either electronically to your email address or by ordinary post to the address you have given us.

8.3 Any notice will be deemed to have been received on the third banking day after mailing or posting.
